

LANEWAY PARK-ING MASTER PLAN: LESLIEVILLE

ABOUT US

The Laneway Project is an independent, non-profit social enterprise. We are urban planners, designers and placemakers, and we work with public, private, and community-level stakeholders to transform laneways and other neglected public spaces into complete, living public places: building collaborative teams, implementing best practices and catalyzing policy changes.

LANEWAY PARK-ING

Laneway Park-ing is an improvement project to transform the laneway running from Logan Ave. to Morse St. into a welcoming, safe, people-friendly space by adding upgrades to the laneway edges of neighbouring properties, in partnership with the community and at the request of property owners.

PROJECT TIMELINE

Oct 2020 – Feb
2021:

Site Analysis &
Master Planning

Feb – May
2021:

Detailed Design

May – Jun 2021:

Construction

Late May/Early June:

Community Planting Day &
Project Unveiling

LANEWAY TRAFFIC MODALITY

How do people currently move through the laneway?

Often observed Sometimes observed Seldom Observed

LANEWAY VISIBILITY

DAY

NIGHT

A Lot of Visibility
A little Bit of Visibility
Not much Visibility

LANEWAY TRAFFIC EASE OF USE

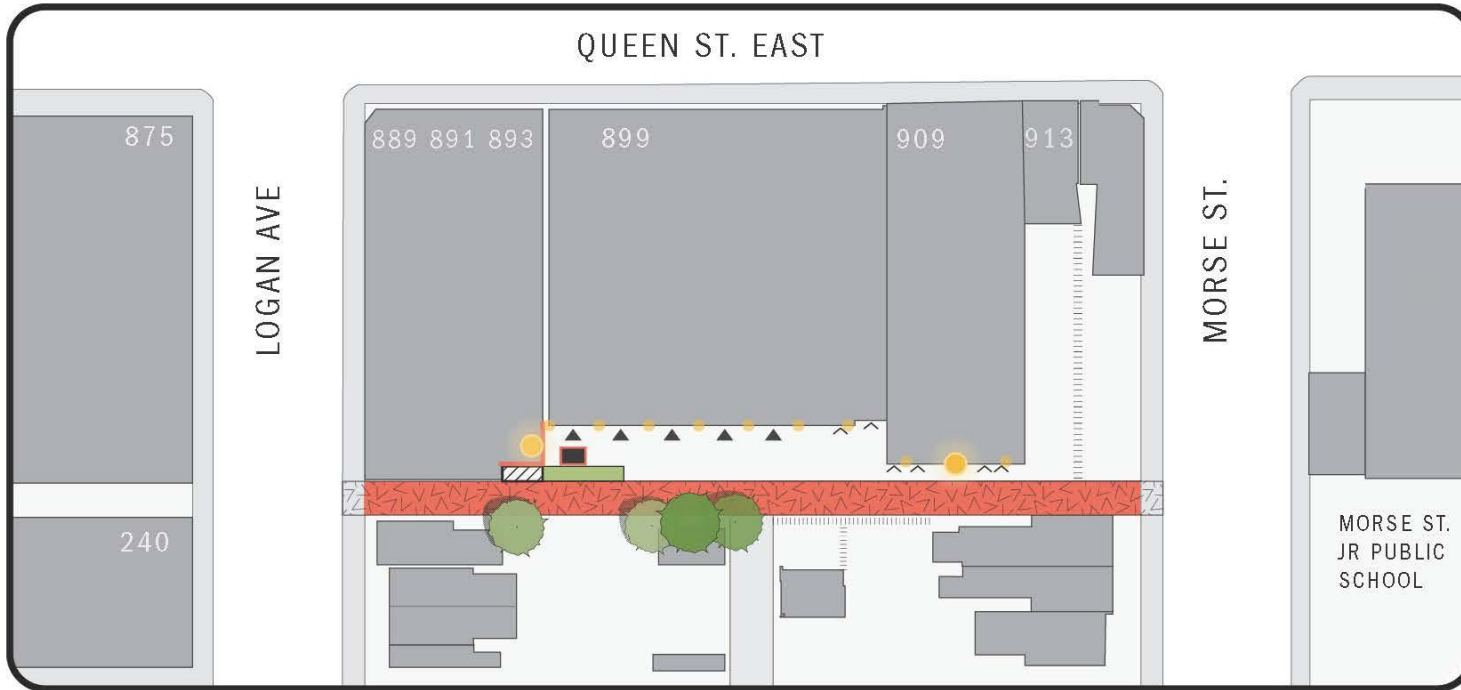

YES the Laneway is easy to use for this mode of transportation
NO the Laneway is easy to use for this mode of transportation

THE PROJECT SO FAR

- Project Kickoff e-meeting
- Site Analysis e-meeting
- Site Analysis Survey (20 responses)
- One-on-one conversations with property owners, residents & agencies
- Requests for improvements to neighbouring frontages (3 properties) & roadway
- Creation of master plan
